DISCIPLINARY ACTION

Any participant receiving a **RED CARD/EJECTION** is required to **IMMEDIATELY** leave the vicinity of the playing field for the duration of the game. **ALL** ejections will be reviewed by Area Staff, which may result in a more severe disciplinary action. For each additional red card/ejection received by a player there will be an additional 2 (two) game suspension.

If at any time a fight breaks out on the field, the players must be instructed by the coach to **IMMEDIATELY** go to their sideline.

Any team member sent off for violent conduct during the game shall be suspended from all participation for at least two (2) of the next scheduled played games. Any team member who falls under this category will not be eligible to participate, or continue to participate, in the season end Area 1U Tournament.

In addition, a coach or assistant coach who is being sent from the field will not be permitted to coach or be in the vicinity of the playing field during the suspension period. They will also serve the same disciplinary action as a player receiving multiple red cards. Persistent disciplinary problems, (coach or player), may result in **more severe** disciplinary action at the Area Level.

Unauthorized spectator entrance onto the field may result in disciplinary action and/or suspension of the team. The Area Director and Area Staff will review any spectator interference.
